Introduction to Show My Homework for Parents

- ✓ **Complete homework transparency** means you'll see exactly what your child has been set and when it's due. No more confusion!
- ✓ **Review homework feedback** left by your child's teachers as it happens, rather than hearing it second hand.
- ✓ **Download the Show My Homework app** to access homework on the move. Set up push notifications for when new homework is set and reminders for upcoming deadlines.

Features built with you in mind

Homework

See your child's completed, upcoming and overdue homework in full detail. Teachers can add web links, resources and instructions to ensure you have everything you need to confidently support your child's home learning.

Gradebook

View any homework feedback left by your child's teachers including submission statuses, grades and comments. If your child has been asked to resubmit their work, the teacher's comments will help you provide further support.

Notice Board

Keep up to date with important school announcements and upcoming events without having to rely on your child writing down the information or bringing letters home.

Support multiple children

If you have more than one child using Show My Homework, you'll see all this information for each

child in one place - even if they attend different schools!

Mobile app

Download the free mobile app to view your child's homework on the move at any time. You only have to log in once, after which you'll receive push notifications to keep you in the loop. The app is also a great alternative if you don't have access to a computer at home.

Alerts & reminders

Set up email alerts or push notifications for new homework set, feedback from your child's teacher, upcoming deadlines and school events.
