

Year 7 Recommended Reading List

Reading Tips:

- Choose books carefully. Read the blurb or reviews to decide if it's right for you. Ask your family and friends for recommendations.
- If you don't like to read, it's probably because you haven't found the right books yet – keep searching and ask your librarian for help when you're in school.
- Read a wide variety of genres – fiction and information books.
- Read for at least 30 minutes a day, every day. Make it a good habit.
- Visit your local library during holidays – they are free. Charity shops have books for sale at reasonable prices too.
- Experiment by reading new authors to experience a wide range of writing styles.

"Books are the quietest and most constant of friends, they are the most accessible and wisest of counsellors and the most patient of teachers."

-Charles William Eliot (1834-1926)
